(F) Limerick Pride Parade Entry Terms and Conditions

- It is encouraged that a sign/banner precedes all contingents.
- Contingent Stewards must wear high visibility clothing as provided by Limerick Pride. Stewards will report directly to Limerick Pride Committee.
- A number of factors determine your placement in the parade. Priority placement is based on time and date of your complete application being received. We will attempt to accommodate as many contingent requests as possible.
- All contingents are required to maintain a forward movement during the parade. No stopping unless directed to do so by stewards or the Gardai. All performance or manoeuvres must be on the move. Please maintain a gap between contingents of less than 7 meters. This allows for a smooth running parade.
- Any towing charges/breakdown expenses for a unit that becomes disabled and/or delays the parade will be at the owners expense.
- Any political statements or endorsements made by participants in the Limerick Pride Parade are not necessarily the opinions expressed by Limerick Pride nor does Limerick Pride in any way contribute to the signage or display of these opinions.
- All floats that enter Limerick Pride should have adequate edge protection (i.e secure handrail) fitted around any exposed perimeter of the float.
- To avoid accidents on the parade route we require you not to throw/give away/hand items from a float/vehicle. This encourages spectators to come on to the parade route and potentially stepping into the path of a vehicle.
- It is illegal to possess or consume alcohol or drugs while participating in Limerick Pride Parade. Any illegal actions will not be tolerated by Limerick Pride. The participant will be responsible for any fines, fees, injury or imprisonment that may occur if they break these rules. Furthermore violations will cause an immediate dismissal from the parade
- Limerick Pride reserves the right to remove any individual, group or parade contingent from the staging, parade or dispersal area, who is, in its sole opinion and discretion, a hindrance to the safety or progress of the parade or who places any participants or spectators in physical danger. This includes the right to remove persons from any float or vehicular unit which it determines to be overcrowded to such an extent that the unit may break down or cause injury to participants.
