GOSHH

Gender Orientation Sexual Health HIV

Based in Limerick City, we provide a person-centred approach to support, information and advocacy.

GOSHH is a charity which provides a safe, confidential, welcoming environment for everyone we work with.

Our office is based in Limerick City and we work throughout the Counties of Limerick, Clare, and North Tipperary.

We focus on the promotion of equality and wellbeing of all with a positive and respectful approach to sexual orientation and gender diversity.

Formed in 1989, Limerick AIDS Alliance operated until 1994 when the name changed to Red Ribbon Project reflecting the breadth of sexual health services provided throughout the Mid-West of Ireland.

Gay Switchboard Limerick was founded in 1986 and became Rainbow Support Services in 2001 reflecting the wide variety of identities supported throughout the Mid-West of Ireland.

Both projects joined together in 2013 and became GOSHH in 2014.

Our vision is to create an environment where the mental, emotional, physical, and social wellbeing of everyone is promoted and sexual rights are respected, protected, and fulfilled.

Out in UL

Out in UL is the LGBTQ+ (lesbian, gay, bisexual, transgender, queer+) society of UL. We seek to provide a safe and friendly environment of support to all LGBTQ+ in UL, as well as provide information on different aspects of the LGBTQ+ community.

Hey guys, welcome to University of Limerick! Out in UL is the LGBTQ+ (lesbian, gay, bisexual, transgender, queer, +) society of UL. We seek to provide a safe and friendly environment to support the LGBTQ community. Anyone is welcome to join, it's not just closed off to the LGBTQ members of the college (this means that if you're nervous about coming to a meeting and want to bring your straight friend for support, that's ok. We won't chase them away with sticks).

WHAT DO WE OFFER? We host a range of activities throughout the year. We have weekly members' meetings where you can get to know everyone and tell us what you want to get out of the society.

We host various workshops such as sexual health, homophobia, coming out, awareness past the LG, and many more. We also go on a wide range of trips to Dublin Pride and various queer events around the country. We host a huge number of events throughout the year. Our annual events include Rainbow Week, Alternative Miss UL, Sparkles, and Queerbash.

For anyone who doesn't feel confident enough to come to meetings, you can email us and arrange to talk to a member of our committee one on one. We also provide access to coming out workshops and one-on-one talks with our LGBTQ liaison officer, Ger Hanly.

Out in UL follows a strict rule of confidentiality, so anyone who is not out can come along, take part and not worry about being 'outed'. This is an environment where you can feel secure in yourself without worrying about what others may think. And you can talk to any member of the committee at any time. We're a big family, and we're all here for each other!

WHY JOIN OUT IN UL?: If you are interested in the vibrancy and diversity that defines LGBTQ culture and community, Out in UL is the place for you. Our 2016/17 calendar is already jam-packed full of events, workshops, trips, and much more. We also have our Coming Out website (link below), and our Befriender Service, open to any curious or questioning minds. Our main aim is to help LGBTQ students at the University of Limerick have the absolute BEST student experience possible.

Because college is the best time of your life, and nothing should keep you from making the most of it!
